At Dentons we are focused on being the law firm of the future for our people and our clients. We are proud to be a law firm that thinks about things in different ways, and we are committed to developing our team with all-around skills and strong business acumen.

We invite you to meet members of our team (including representatives from our student group, Student Committee, Recruitment team, Inclusion and Diversity Network, and Student Program Mentors) to learn more about our program and how you can shape your articling experience. Join us to find out what makes Dentons Canada and our Toronto office unique.

We look forward to meeting you!
